

## Meet Jack

We're a global experiential marketing agency that gives clients strategic brand insight, creative experience design, unmatched execution and demonstrable ROI. We engage key stakeholders—including employees, partners, customers and influencers—to drive insight, action and advocacy. We create brand experiences—and by doing that, we help our clients create experience brands.

## What makes us different

- Experiential planning and measurement. We track and show ROI and ROE with our nGauge toolkit.
- Award-winning creative. We won 36 awards last year.
- Cost-savings. In-house production procurement saves 3rd party costs.
- Global reach. With 500+ employees worldwide—we can deliver anywhere.
- Multiple audiences. Multiple touchpoints. A one-stop marketing shop.
